## BOMB PLOT SUSPECTS ARE BEING HELD

### FIVE MEN LANDED AT NEW ORLEANS FROM FREIGHTER RUSHVILLE

Men Shackled Hand And Foot  
And Rushed To The Parish  
Prison--Thought To Be Con-  
nected With Wall Street Bomb  
Explosion In September.

(By The Associated Press)  
NEW ORLEANS, La., March 22.—Held in the New Orleans Parish prison tonight were five men who classified themselves as seamen but whom Captain J. H. B. VanWeldern of the New York and Cuban Line Freighter Rushville said the department of justice officials intimated might be wanted in New York in connection with the investigation of the Wall Street bomb plot of last September 16.

Shackled hand and foot, the men were taken from the Steamer Rushville today, hustled to the Parish prison and booked under the following names: Philip Bender, alias Chief; Lionel Kuebrezzuff, Rudolph Dorsh, Hans Randin and Henrik Lipan. They were held incommunicado.

After Captain VanWeldern had related the manner in which the men were captured and the difficulties encountered in moving from Rio de Janeiro to New Orleans he too became uncommunicative and tonight would make no further statement.

Department of justice officials said they were "awaiting instructions."

Late last month, according to Captain VanWeldern the United States shipping board Steamship City of Alton, then nearing Rio de Janeiro, received a wireless message, presumably from officials of the United States government requesting arrest of the five men who were working on the ship. A fight started and, according to Captain VanWeldern, it was with extreme difficulty that the men were subdued, placed in irons and taken to Rio de Janeiro, where they were imprisoned.

The American vice consul at Rio de Janeiro, according to Captain VanWeldern, requested the Munson Line Steamer Yoro to take the quintet to New York where it was said they were wanted. The men were placed aboard the Yoro and in some manner according to the Rushville's captain they started a furious fight. The Yoro's master then returned them to the Rio de Janeiro jail.

Vice Consul Thomas then persuaded Captain VanWeldern to attempt transportation of the prisoners.

"We accepted and here they are," the skipper concluded. The prisoners, apparently between 25 and 35 years of age were said, to be for the most part, well educated, some speaking several languages. No indications were given as to when the prisoners would be taken to New York.

Washington Investigating.  
Washington, March 22.—Investigation of the five men landed in chains today at New Orleans from the freighter Rushville has as yet failed to uncover evidence connecting them with the New York bomb explosion last September. William J. Quinn, chief of the bureau of investigation of the department of justice said tonight.

Mr. Flynn added, however, that the investigation was being continued.

The men are charged specifically with mutiny on the high seas. Mr. Flynn explained adding that they would be tried in the federal court of New York.

The department however, it was indicated was no overlooking any possibility that all or some of the men have been connected with the bomb explosion.

Shipping board officials said they had received no reports of a mutiny on board the City of Alton, on which the men shipped as seamen. It was explained, however, that such a matter would be handled by the New York officer of the board before a final report was made to Washington.

#### THESE EMPLOYERS

WANT TO WORK  
Pensacola, Fla., March 22.—The Southeastern Typothetae today adopted a resolution condemning the 44 hour week as an economic crime and pledged itself to fight any reduction in the number of working hours in the week. The federation also voted to take out strike insurance with the intention of fighting any walkout of union printers.

#### EMPLOYES AND PACKERS SEEM TO BE RECPITIVE

Prospects Seem to be Bright  
for Peace in Packing  
Industry

#### SECRETARY HOPES FOR EARLY SETTLEMENT

(By The Associated Press)  
WASHINGTON, March 22.—Prospects of peace in the packing industry were understood to be brighter tonight than at any time since Secretary Davis, acting as the director of President Harding and with the assistance of Secretaries Hoover and Wallace, began his efforts at mediation in the dispute between the big five packers and their union employees.

The principal events of the day included a conference between Secretary Davis and representatives of employees consideration of the matter at the regular cabinet meeting and separate conference between Mr. Davis and the packer representatives and between the secretary of labor and the employees' delegates. At the close of the last conference Secretary Davis said that he would continue his meeting with the employees' representatives at 9:30 o'clock tomorrow morning.

#### Both Sides Receptive

As the matter stood tonight it was believed that the employees had agreed in a general way to the wage reduction put into effect March 7, and that in turn the packers had agreed to the extension of the war-time Alschuler agreement for submission of differences between them and their employees to permanent mediation. The matter of hours, it was believed, would be solved by the adoption of a weekly maximum, based on an 8-hour day, to meet the peculiar conditions obtaining in the packing industry.

The labor secretary informed the cabinet that he hoped for an early settlement. Similar optimism was reflected in other quarters.

The separate conference plan, which was decided on yesterday, is now being carried out. The labor department's board of conciliators, who contend that representatives of opposing sides will talk more freely when they feel that what they say cannot be made the target for reply by the other side.

#### LEGION ACTS IN BERGDOLL CASE

(By The Associated Press)  
WASHINGTON, March 22.—Request that the war department take "prompt and decisive" steps toward the return from Germany of Grover C. Bergdoll, wealthy Philadelphia draft evader, is made by the American Legion's national legislative committee in a letter to Secretary Weeks made public today by the committee. The letter also requests the new administration to secure the release from a German jail of the two American army sergeants, Zimmer and Neuf, who were arrested when they attempted to capture Bergdoll on German soil.

#### CHICAGO HAS ANOTHER MYSTERY

(By The Associated Press)  
CHICAGO, March 22.—The body of a man with a small bullet hole in the skull was found in the Chicago river today. The only clue to the man's identity was a local hotel receipt, dated November 26, 1920 and bearing the name "Hallen Varney, Medford, Minn."

#### UNFINISHED RUN OF 500 MADE BY HOPPE

Detroit, Mich., March 22.—In an 18.2 balk line billiard exhibition match here today with Charles Peterson of St. Louis, William Hoppe ran 267 points to complete a 300 point block, continued the run until he had accumulated 500 points, and then quit with the balls in perfect position. This is the highest run ever made in Detroit at 18.2 balk line.

#### LYNCH WILL BOX YOUNG MONTREAL

Cleveland, O., March 22.—Joe Lynch, champion bantamweight boxer, and Young Montreal have been signed for a ten round, no decision contest here on April 4 at 120 pounds ringside, it was announced today.

#### SPY SYSTEM IS MAINTAINED BY PENNSYLVANIA

Atterbury Acknowledges Espionage System is in Vogue

#### AGAINST CLOSED SHOP UNION OR NON-UNION

(By The Associated Press)

CHICAGO, March 22.—Brig. Gen. W. W. Atterbury, vice-president of the Pennsylvania lines testified before the railroad labor board today that his railroad "maintained an extensive spy and espionage system among its employees," and that it had little arsenals at various points where guns and ammunition were kept. The whole day revolved about General Atterbury's stand that he could negotiate agreements with his own employees but that no just and reasonable agreements applicable to the entire country, could be written by any body. Attorney Walsh opened his charges of a spy system on the Pennsylvania by stating that \$300,000 had been spent in 1914 on the road's police system.

General Atterbury explained that this amount covered all protective measures, such as crossing watchmen and similar employees. Under questioning however, he admitted that the road did maintain a spy system but declared he could not say how much had been spent on that department.

Mr. Walsh declared that the rule on discrimination against any employee because of union affiliation was the "most important rule there is." Questions, he said, intended to show that a situation might arise and had arisen on the Pennsylvania where discrimination for any other than employees and road could not be settled despite General Atterbury's statement that all the men on the road had grown up together.

General Atterbury introduced a union bulletin which informed shop craft employees that there could be no "seniority provisions for or position provided for any other than employees and members of the organizations affiliated with the railway employees department" of the American Federation of Labor. This bulletin was a direct attempt, General Atterbury asserted, to force non-union men to join the union under fear of losing their seniority rights.

Denounced Closed Shop.  
A closed shop, either union or non-union, was denounced by the general, who said a man should have the right to be, or not to be a union man.

Allegations against the Pennsylvania were in turn brought up by Mr. Walsh who read a copy of a letter purported to have been written by I. W. Geer, general manager of the St. Louis-Columbia division of the Pennsylvania, in which supervisory employees were ordered to even resort to farnation of all labor organizations if necessary to obtain certain information.

General Atterbury declared he had "never" heard of the letter and, after calling Mr. Geer in St. Louis by long distance phone announced that Mr. Geer denied he had written such a letter.

#### HANNIBAL MAN IS BEATEN BY ROBBERS

(By The Associated Press)  
HANNIBAL, Mo., March 22.—Max F. Bockerman, 28 years old, proprietor of the Hannibal Loan Company is reported to be in a serious condition tonight as a result of a beating he received at the hands of four young bandits, who staged a daylight robbery of his business establishment at 7:30 this evening. How much money was taken could not be learned tonight.

Later the police arrested four young men, one of whom, according to the officers, admitted participating in the holdup. The men gave the following names: James Gray, 18, who claims to be from Louisville, Ky., who according to police officials, has confessed and implicated Earl Dickson, who is also said to be from the south, and John Williams and Willie Dalton of Hannibal.

#### "GREASY" NEALE JOINS CINCINNATI

Marietta, O., March 22.—Earl "Greasy" Neale, Philadelphia National outfielder who has been holding out for a salary increase left today for Gainesville, Fla., to join the team. He said he had reached an agreement with President Baker of the Phillies.

BOSTON MAYOR IN TATTERS  
Seeking to learn first hand unemployment conditions and how his city is meeting them, Mayor Andrew J. Peters, of Boston, spent a night in Wayfarsers Lodge, where the city's homeless are sheltered and fed. Effectually disguised, the mayor spent the night in a room with forty unfortunates and in the morning he piled in on the wood pile for several hours to earn his breakfast.

#### FORMAL CALL FOR EXTRA SESSION OF CONGRESS ISSUED

President Does Not  
Specify Any of Problems to Come Up

#### BELIEVE HE WILL APPEAR IN PERSON

(By The Associated Press)

WASHINGTON, March 22.—A formal call for an extra session of congress to meet on April 11 and receive legislative recommendations for the new administration was issued today by President Harding.

None of the specific problems to be laid before the legislative branch were named in the proclamation, the president merely declaring that an extraordinary occasion required that congress convene to receive such communication as may be made by the executive.

Mr. Harding already has indicated, however, that the tariff his message to the special session. He is expected to make a special plea for prompt relief of the nation's agricultural interests and the list of recommendations may touch many other subjects such as the railway situation, the merchant marine and immigration.

Would Dispose of Property.  
One recommendation is expected to suggest the creation of a general commission to dispose of many kinds of property required by the government during the war. Whether the message will touch on foreign relations is a matter of speculation, but the president has indicated that his primary desire of the session is that it work out a plan of governmental and industrial rehabilitation at home.

A program for the session has been discussed at a series of conferences between the president and leaders in the senate and house and a feeling of confidence is manifest that legislative business will be expedited from the start.

Some of the president's friends believe he will follow the custom of former President Wilson in delivering his message to congress in person.

#### EMPLOYING PRINTERS ADOPT RESOLUTIONS

Harrisburg, Pa., March 22.—Employing printers representing 200 shops giving work to more than 16,000 journeymen met in Harrisburg today and adopted resolutions protesting against the lowering of production or advancing the cost of printing. The meeting was called for the purpose of combating the effort to reduce union printing hours to forty four hours a week throughout the country beginning May 1 next.

#### ENDORSES NATIONAL COOPERATIVE MARKET

Des Moines, Iowa, March 22.—Official representatives of farmers' organizations and a number of farmers attending the meeting here today of the American Farm Bureau Federation endorsed the plan of the committee of seventeen for a National Cooperative Grain market agency with subsidiary corporations for financing warehousing and exporting all grain crops.

#### COOK COUNTY IS GOING TO HAVE MANY CONVENTIONS

Three Different Calls  
Issued for Judicial  
Conventions

#### ALL SIGN THEMSELVES AS COUNTY CHAIRMAN

(By The Associated Press)

SPRINGFIELD, Ill., March 22.—Three different Chicago Republicans, each signing himself as chairman of the Cook county Republican central committee, has issued a call for a meeting of a judicial convention on April 25, it was announced this afternoon by Secretary of State Emmerson.

Two of the calls were filed today, one by Charles V. Barrett, and the other by Charles R. Francis, for conventions at 2 and 3 o'clock respectively, at the same hotel. The call signed by Homer G. Galpin filed March 15, was for a convention at 2 p. m., at another hotel "of ward committeemen elected in the city in 1916 and precinct committeemen elected in country towns in 1918."

Call for a Democratic convention at 11 a. m., April 26 was filed by Anton J. Cornak, and a call for a Socialist convention at 8 p. m., April 15 at 220 South Ashland Boulevard. Twenty circuit judges and one superior court judge are to be nominated.

Time Expires Wednesday  
Time for filing convention calls will expire tomorrow. Tonight, outside of Cook county only four calls for Democratic conventions, in the second, fourth, seventh and eighth districts had been issued.

The twelfth district including Will, Kankakee and Iroquois counties and the sixteenth district including Kane, DuPage and DeKalb and Kendall counties have as yet issued no convention calls at all, the secretary said. This announcement followed the communication of Secretary Emmerson to the legislature this morning that the law for calling conventions is unworkable. It provides that if the county chairman neglects to issue a call, the secretary of state shall do it, but no machinery is provided. According to the law as written, the secretary would have to call Democratic and Socialist conventions in all circuits, which manifestly is not the intent of the legislators.

#### REGISTERED MAIL POUCH DISAPPEARS

Missing Sack Taken at Centerville, Iowa, Some Time Before Midnight Saturday—Said to Have Value of \$92,000.

(By The Associated Press)

Centerville, Iowa, March 22.—Postoffice officials here were re-tient today on the loss of a registered pouch late Saturday night, but it was reported that approximately \$92,000 in securities, cash and jewelry were in the missing mail.

The amount of the loss was checked by reports from persons who said they had mailed registered securities and cash to Chicago Saturday and which mail, it was said, was in the pouch.

The missing sack disappeared some time between 9:15 and 10 o'clock. The mail had been left at the station without guard from 7:30 to 10 o'clock.

There were two pouches of registered mail, one for a west-bound train, that was not disturbed. The missing mail was addressed to Chicago.

#### Start Investigation.

St. Louis, Mo., March 22.—B. F. Smith, a postal inspector today departed for Centerville, Iowa, to investigate the theft of a registered mail pouch the contents of which were said to be valued at \$92,000. Mr. Smith is expected to arrive in Centerville early tomorrow. Centerville is under the jurisdiction of the local office.

Rome, March 22.—(By The A. P.)—Monsignor Giovanni Bonzano, apostolic delegate in the United States will be created a cardinal in the consistory to be held in November next or early in 1922, it was learned today.

#### ARGUMENTS AGAINST DISARMAMENT MADE AT SHIP'S LAUNCHING

Assistant Secretary of Navy Theodore Roosevelt Says That We are Faced by Critical Period and That We Must Accept Responsibility—Costs More to Stop Than to Go On

#### RUSSIAN SOVIET MAKES APPEAL TO PRESIDENT HARDING

(By The Associated Press)

CAMDEN, N. J., March 22.—Arguments against disarmament formed the keynote of three speeches at a luncheon which followed the launching of the super-dreadnaught Colorado here today.

The speakers were Theodore Roosevelt, assistant secretary of the navy, United States Senator Samuel O. Nicholson of Colorado, whose daughter, Mrs. Max Melville of Denver, sponsored the great war craft, and Representative Patrick H. Kelly of Michigan, chairman of sub-committee on national appropriations.

Several officers, representatives of the army, ship builders and leaders in other professions and public affairs were in the throng which gathered at the Camden plant of the New York shipbuilding company to watch the huge mass of steel slide gracefully into the Delaware beside her sister ship the Washington, yet to be completed. And these same men at the luncheon which followed were enthusiastic in voicing their approval of the pleas against disarmament and for a navy second to no other nation's.

Faced by Critical Period.  
"We are faced by a critical period in the country and all of us must make up our minds to accept certain responsibility and do certain things," said Mr. Roosevelt. "First we have the question of the navy, there are people who, for one reason or another, are talking against the navy, saying at this period the country should disarm. Some of these people are perfectly sincere pacifists, some of them are perfectly sincere fools and incidentally, they are the same thing."

The average person, he said, thinks the battle cruiser a type of ship inferior to the battleship, and he made a plea for his type of craft declaring them to be as forceful as anything afloat. Mr. Roosevelt spoke of a strong navy at all times capable of going into action.

"I do not care what program England may have in building a navy," said Senator Nicholson. "I do not care what program Japan may have. I want a navy in this country that is adequate and ample to protect our own country."

"I have no patience with the feeble-minded people who talk about disarmament."

Arguing the completion of the 1916 program for the navy, Representative Kelley said:  
"Cost as Much to Stop as Go On."  
"There would be no economical saving not to complete it. It would cost as much now to stop the work as to finish it. Men in this yard know what it means to cancel contracts. When these sixteen powerful ships are added to those we now have, to my judgment the American navy will be second to none in the world. I do not know whether there will be a reduction of armament in the future or not. There will never be such a thing as disarmament."

"The question of great navies is very largely a question for Great Britain and the United States. If Great Britain and the United States agree to scrap some of their old ships and stop expense on old craft—reduce the size of the navy from the bottom, not from the top—why when this new program is completed, we could afford, in my judgment, to make a proposition to Great Britain for proportionate reduction from the bottom. And with the navy that we would have left, all brand new the most powerful ships of their kind afloat upon the waters of the earth we would get along first rate."

Responsible officials refrained from discussing the situation specifically today. One, however, intimated that the recent signing of the Great Britain-Soviet trade agreement and the conclusion of formal peace between Poland and soviet Russia were developments which should be taken into consideration in considering the Russia situation in the future.

Officials professed to know nothing of the possibility of a delegation coming here from the soviet government to negotiate a trade agreement.

#### MASKED BANDITS HOLD UP KATY TRAIN

(By The Associated Press)  
MUSKOGEE, Okla., March 22.—The Missouri, Kansas & Texas railroad's Texas Special was held up and passengers robbed thirty miles south of McAlester at 9 o'clock tonight.

Three masked men boarded the train at Denison, Texas. They went thru three coaches and took \$2,000 from passengers, according to travelers reaching here. The bandits are said to have dropped off the train just before it reached McAlester and disappeared in the woods.

Bloodhounds from the state penitentiary there are trailing the men.

#### JOHN HUMMEL TO MANAGE SASKATOON

Reading, Pa., March 22.—"Silent John" Hummel, last season's manager of the Reading International League baseball club, and former captain of the Brooklyn Dodgers today signed a contract to manage the Saskatoon club of the West Canadian League.

We do not know just how successful a president Gen. Wood would have been, but it is certain that his mission to the Philippines will not be in vain. President Harding has sent this eminent emissary with the simple instructions to "get the facts." That is just what will happen and possibly no one else is quite so competent to ascertain these facts and weigh

them in their relative importance as is Gen. Wood.

A Californian has just issued a book of naval history, in which he vigorously assails the record of Josephus Daniels, until recently secretary of the navy. Mr. Daniels was the object of an immense amount of well deserved criticism during the days of his official connection with the government, but those days are past and why not forget about them?

One Washington correspondent, in writing about the tax revision program, says that certain tax provisions are likely to be repealed because they are so "vexatious" to the business men who must collect them and to the consumer, who must pay. That word "vexatious" would readily apply to the whole list of federal taxes.

## NO REDUCTION IN MINERS' WAGES

Most of the mines in this state are shut down because the demand for coal is very light. It is the season of the year when few people buy for storage purposes. This condition is indicative that there will be nothing to the talk of pos-

sible reduction in miners' wages this summer by agreement between the operators and the miners. While the wage scale is high now miners working less than half the time do not draw a sum total of wages which would justify a reduction.

One fact of which the public loses sight is that they eventually must pay for the non-operation period. The heavy costs continue when a mine is shut down and sooner or later this extra cost must be added to the general operation expense and charged to the manufacturer or citizen consumer.

The down state counties are not nearly so much interested in the rent bills before the legislature as are the people in Chicago. The situation indicates how differing are the interests of the big city and the state, for at least one of the rent bills proposed, while it might be helpful to the city people, would be absolutely disadvantageous to the down state territory, and so discourage capital that no houses will be built for rental purposes.

This situation is one of the many that serve to show the disparity of interests between the city and down state areas and furnish argument for those people who believe that Chicago should be separated from the state.

No wonder the Illinois Manufacturers' Association views the situation with alarm. So many individuals, organizations and associations are petitioning the legislature for huge sums that if all the petitions were granted the amount to be collected thru state taxes would reach the enormous sum of \$200,000,000. Some day the limit must be reached in the amount of taxes that property holders can pay.

The anti-fly campaign is on in earnest. This is evidenced by the enthusiasm with which pupils of one of the high school classes have been searching out the fly-infested spots in the residence and business districts of Jacksonville.

It may not be an especially pleasant thing to have these young custodians of the public health call attention to the need of clean up around your premises, but remember that this is a good work. It is fine for the high school boys and girls to cultivate civic pride, which the work in which they are engaged engenders, and then there is the advantage of the cleanup work itself. The Red Cross survey gave us ample proof that there is room for improvement in the sanitary and health conditions of Jacksonville.

## A SUBMERGED LA W EMERGING

The Chicago Journal of Commerce has this comment upon the railroad and living cost situation: "Big cuts in wages announced or contemplated by every railroad system in the country are for the benefit of the public rather than stockholders in a proportion possibly as high as four to one. They mean ultimately not only lower freight and passenger rates, along with better service, but lower prices for every commodity that requires transportation. The real price of every household necessity will be relieved of just that much of its cost to the consumer. Wheat, coal, cotton, meat, foods of all kinds, clothing of every sort, lumber, steel, stone, all building materials, furniture, kitchen utensils, in a word, everything will feel the decreased cost."

"We must come down from our perch. Basic costs must be reduced. We cannot escape economic laws. They will prevail, peacefully or otherwise. Artificial prices cannot be maintained in any direction much longer."

SOME GREAT FUNERALS To The D. A. C., Greeting

(BY ENSLEY MOORE) Vice President Illinois State Historical Society

The writer of these sketches makes his bow of greeting, welcome and appreciation to the Daughters of the American Revolution now guests in Jacksonville and in his home. There have been many prominent and distinguished Americans and Illinoisans resident in Jacksonville, dating regarding the funerals of all is not at hand, but some will be used herein.

## Col. John J. Hardin

was a hero of the Mexican War, who "gloriously fell on the field of Buena Vista," Feb. 22, 1847.

Mrs. Ellen Hardin Walworth, one of the founders of the D. A. R., was Col. Hardin's only daughter—born here, where Passavant Hospital now stands.

Col. Hardin was the son of Martin D. Hardin, who was a native of Pennsylvania, a major in the War of 1812, a resident of Kentucky for his last forty years, a state official, and a United States Senator from Kentucky.

Col. Hardin's father was John Hardin, a Virginian, who came to Kentucky in 1786, was a great Indian fighter, and a lieutenant in the Revolutionary War. He was shot, bearing a flag of truce, by the Indians, near Shawnee town in Illinois.

Gen. and Col. J. J. Hardin was a native of Kentucky, coming here in 1830—when Jacksonville was five years old. He was engaged in the Indian warfare here, being a militia general, and raised the First Regiment of Illinois Volunteers for service in Mexico, where he fell—compatriot with his Kentucky cousins Clay and Crittenden in giving their lives for their country.

Col. Hardin was a town and state officer here, member of the legislature, and of that immortal trio—Lincoln, Baker and Hardin—who each served his term in succession in the National House of Representatives; and each gave his life for America.

When the soldiers returned from the Mexican War, they brought the body of their leader home with them, leaving it lying in state in his residence where Passavant Hospital now is and on July 14, 1847, "our hero" they buried—not "at dead at night," but in full mid-day of that July.

The Funeral Services began at 10 o'clock a. m. and addressed by Col. Hardin's late residence by his law student and friend, Richard Yates, afterwards Governor.

This was followed by a funeral discourse by the Rev. Andrew Todd, of the Second Presbyterian church, pastor of the soldier.

The procession consisted, in order, of the Masonic fraternity, the Fire Company, the Governor of Illinois and suite, Judges of the Supreme and Circuit Courts of Illinois and members of the Bar.

Members of Ill. Constitutional Convention, the Trustees and Faculty of Illinois College, Medical Faculty, the Clergy. Then came the funeral car, with remains of Col. Hardin, covered with the Stars and Stripes, flanked by the Stars and Stripes, flanked by the Stars and Stripes, flanked by the Stars and Stripes.

After the burial a collocation was served for the people from out of town, in the grove then just west of the cemetery.

Gov. Joseph Duncan. Jacksonville has furnished three able and distinguished men to fill the high office of Governor of Illinois, Joseph Duncan, Richard Yates, War Governor, and his son, Richard Yates, now Congressman from the state-at-large. Gov. Duncan was a native of Kentucky, a boy hero of the War of 1812, a general of militia, a State Senator from Jackson county, a member of Congress

from Illinois, and finally Governor. Gen. Duncan came to Illinois in 1818, to Jacksonville, presumably in 1830. He died here, in his residence at "Elm Grove," Jan. 15, 1844.

A meeting of citizens was immediately called, and met in the "Morgan House" (Park Hotel). Dr. B. Gillett was chairman and Wm. Hodges Secretary. Capt. John Henry addressed the meeting, eulogizing the distinguished patriot who had been called from Time to Eternity. Dr. A. Smith moved the selection of a committee, consisting of Col. Wm. B. Warren, Capt. John Henry and Gen. Murray McConnell as a committee on resolutions, which were duly reported. One was "that Cornelius Hook, A. Bulkley and J. O. King be appointed a committee to request that the business houses of town be closed on tomorrow from 11 until 4 o'clock p. m." Another appointed Col. Warren, Col. Jas. Dunlap and Dr. A. Smith to present the resolutions to the bereaved family, and the papers were requested to publish the proceedings of the meeting. "In behalf of the committee of citizens," David A. Smith and Judge Jas. Berdan placed at Mrs. Duncan's disposal fifty copies of Prof. (President) Sturtevant's discourse at the funeral of Gen. Duncan.

July 11, 1844, the Trustees of Illinois College passed appropriate resolutions, which were presented to the widow and family.

Richard Yates. The third funeral occasion here of great note was that of Richard Yates.

Mr. Yates had come here—to Illinois—from Kentucky, a boy, in 1830. He was graduated from Illinois College in its first class, in 1835, and he became a member of the Legislature, a member of Congress from this district, and was elected Governor—to be the greatest of War Governors—in that political battle year of 1860, when Lincoln was called to the Presidency. In 1865 Mr. Yates was elected United States Senator, serving until 1871, when he returned to his fine home on East State street, which is now a part of the Catholic Hospital. There he remained in private life, except as serving as a Commissioner of the United States to inspect a railroad.

Governor Yates signed the commission, as Colonel, of Ulysses S. Grant, and sent that illustrious soldier marching down the ages. So it may be truly said of him, as of Illinois, "Not without thy wondrous story, Illinois, Illinois."

And in the hearts of the people of Illinois Richard Yates stood with Lincoln among our immortals.

Mr. Yates died in St. Louis, Mo., November 27th, 1873, and his obsequies were observed here the following Sabbath. The meeting place was Strawn's Opera House, crowded with loving friends, the Governor of the State was present, as were many other of the more distinguished citizens and officials and the Governor made a fitting address. Rev. A. S. McCoy of Centenary church preached the sermon.

Then, that Sunday afternoon, the long concourse of loving people, with the usual public features of a funeral marshalled by Col. John W. King, streamed out to the East Cemetery and left "Glorious Dick Yates" awaiting the last trumpet.

The Journal, Dec. 4, 1873, said of Yates, in part:

"But his body lies beneath the shade of an evergreen tree, emblematic of the undying affection of his friends, on the top of a grassy slope, near the home of his early and maturer years. His name, his fame, his noble deeds, belong to the country he honestly served."

Another paper ended its eulogy of Yates: His name as a statesman is unexcelled, and among the many noble names that history has recorded, there will be none of this day that will shine brighter or endure in memory longer than that of RICHARD YATES!"

## "On With The Dance"

WAB MURRAY DAVID POWELL

A Paramount Aircraft Picture

On With the Dance at GRAND THEATRE Today, Tomorrow and Friday

THE picture at the Grand Theatre today, tomorrow and Friday feels the pulse of New York and finds it not alone the hive of temptation that it is often called, but also the haven for vaulting ambition in the arts and sciences. "On With the Dance" is the big city in all its seething phases. Against this background a dramatic love story has been worked out by the master hand of Ouida Bergere, certainly one of the foremost scenarists of the silver sheet.

Mae Murray and David Powell are the featured players. Miss Murray shows that she has not lost one whit of her skill in the dance, which first brought her into prominence in the Follies. But she also exhibits pleasing qualities as an emotional actress of surpassing ability. Mr. Powell is, as always, the suave gentleman and accomplished actor.

The story concerns the adventures of a little, pretty Russian girl, suddenly left an orphan amid the luxury of New York's smart set. Her encounters with men, good and bad, her temporary yielding to the lure of a "soft life," and her final redemption in the big crisis provide an absorbing plot that holds the interest of the audience every moment.

The picture is the first of the George Fitzmaurice Productions released by Paramount Arteract.

## "On With the Dance"

A Rhymed Review

Senia, lovable butterfly-girl,  
Hot in her quest for pleasure,  
Caught in the big city's cabaret whirl,  
Drunk with the dance's gay measure.

Mad with her beauty, jealous men fought;  
Pistol shots startled the Broadway throng;  
Out of the darkness the love that she sought  
Turned her heart back from the pathway of wrong.

"On With the Dance"—New York grave and gay

Playing the game that singses young hearts;  
Mae Murray, the star in a great photoplay,  
Fairest of players in strongest of parts.

## Walk a Block

## And Save a Dollar

How many times have you seen this sign on billboards, in the newspaper, on stationery? Why do you suppose we use it? What does it mean? There is a reason for everything and there is a reason for these words. They tell you that a furniture store—a good furniture store—because it is located on a street that does not demand high rent (which is called overhead expense)—invites you to come and buy your furniture at a lower price than you can get it elsewhere. Men walk considerable distance to get their favorite smoke and women all have their favorite "shops" which handle distinctly feminine things. A good many people, however, do not figure out that it is the dollar saved that means a bank account saved in the end. It is such places as THE PEOPLES that have enabled thrifty people—young people who need to and have to save every penny—get somewhere. Have you ever seen

RELATIVE IN IOWA  
Dr. and Mrs. Frank P. Norbury have recently returned from Boone, Iowa, where they went to attend the funeral of Mrs. Elizabeth Havens, an aunt of Mrs. Norbury.

Mrs. Havens was born in England in 1850. When she was six years old she came to this country to make her home in the family of her sister, Mrs. Mary D. Garm (mother of Mrs. Norbury) at Beardstown.

She was married in 1871 to Francis Marion Havens, of Taylorville, and thereafter made her home in Boone. Mrs. Havens died some years ago. Both Mr. and Mrs. Havens were members of families of English colonists, early settlers in Central Illinois, brought here through John D. Grigg, book publisher of Philadelphia, and to whom both were related.—Illinois State Journal.

**HANDSOME GOWNS AT WADDELL OPENING**  
Well Known Store Has Annual Opening — Many Attractive Gowns Are Displayed.

The display of handsome gowns at the spring opening of the firm of F. J. Waddell & Co., yesterday, was such as to compare favorably with any Fifth Avenue shop. The effect of the window display of blouses, hats and gowns in the various shade of tangerine, which is so good this spring, was especially beautiful.

The showing of merchandise on the first floor was very tastefully arranged and revealed a variety of tempting spring weather spring novelties. The climax of the opening, however, was reached in the gorgeous display of creations in the ready-to-wear department. One of the newest things shown in this line yesterday were some beautiful lace gowns in different shades. Mr. Ploner made the statement yesterday that the opening had been delayed on account of the improvements in the display window. However, patrons who visited the store yesterday felt that the opening was worth waiting for.

In answer to a wire, Mr. J. Herman left last night for Chicago and expects some good bargains in Coats and Suits. These garments will be on sale Thursday and Friday.

**HAD CHICKEN PIE SUPPER**  
The Delta Alpha class of the Central Christian church, of which Mrs. George Douglas is the teacher, gave a chicken pie supper last evening at the church. The supper is an annual event and all of the class members worked hard to make it the success which it undoubtedly was. A large number of people were served and every one pronounced the menu to be excellent.

The Sunday school orchestra furnished music during the dinner hour, 5:30 to 7. The proceeds which the class realized from the supper are to go toward the pipe organ fund.

CHARGED WITH  
MURDER COMPLICITY

EL PASO, Texas, March 22.—Allen A. Shearman, 21, John Shearman, 19, brothers, C. P. Shearman, their father, and Thomas Mandoza, employee of the Shearman ranch, were arrested today on a state warrant charging them with complicity in the murder of prohibition officers S. E. Beckett and Arch Woods, who were shot to death early this morning when they at-

tempted to execute a search warrant at the Shearman ranch, five miles east of El Paso.

Officers are searching for Neil T. Shearman, an older brother, who was at the ranch when the shooting occurred.

According to Under Sheriff Jesse Stranzel the Elder Shearman admits having fired on the officers with a shotgun, but claims he fired only after the officers had shot at him.

### HUGHES TAKES THE CABINET ON JOURNEY

Tells Inside Story of Big and Little Question Administration Has Fallen Heir to.

WASHINGTON, March 22.—President Harding's cabinet was taken today for a long journey of exploration thru the realm of the nation's foreign affairs.

The excursion which absorbed the interest of the ten secretaries thruout a two hour session around the cabinet table touched on places and situations scattered over the diplomatic map from Yap to Tibet and afforded several illuminating side trips into such fields as international trade and immigration. Secretary Hughes had the role of guide relating to the other secretaries, the inside story of the big and little questions of foreign affairs to which the new administration has fallen heir.

It was said that the study was only informative in character. Mr. Hughes making no recommendations and the cabinet attempting no decisions on specific subjects.

The discussion was at the suggestion of the president, himself who was represented as feeling that all the cabinet members should be afforded a glimpse of the foreign outlook now that they are familiarized themselves with the problems of more direct concern to them within their own departments.

### BOLSHEVIKI GOLD COMING OUT OF RUSSIA

STOCKHOLM, March 22.—Tons of gold are coming to Stockholm from Russia by way of Reval. In Stockholm, the gold is melted giving the government mint and thrown upon the market of the world. The understanding here is that the American state department has eliminated the necessity of a certificate showing the origin of the gold which makes possible the admission of Russian shipments of the metal into the United States.

Stocks of the metal are rapidly being taken up by Americans at the rate of \$64 per kilogram delivered in Washington or 242 Swedish kroner at the present rate of exchange. The gold traffic, together with the curtailment of credits has resulted in a decline in American exchange. The English rate on gold exports amounts to only 2562 kroner per kilogram, as compared with 242 for American. Gold exports to England, however, are very small.

According to reliable reports the Bolshevik gold reserve totals only 175,000,000 gold rubles.

### COMMITTEE HEARS LANDLORDS' SIDE OF RENT ARGUMENT

After Hearing Three Hours' Argument Adjournment is Taken

### TOLD CAN'T REPEAL LAW OF SUPPLY AND DEMAND

(By The Associated Press)

SPRINGFIELD, Ill., March 22.—After listening to opponents of the Kessinger rent commission bill for three hours, the senate public utilities committee adjourned its meeting tonight to resume the hearing tomorrow afternoon. Every opponent of the bill who spoke today declared the bill would retard building activities and do more harm than good.

"Nobody is going to be fool enough to build if there is a commissioner sitting in the city hall not only to fix the rents but to make out the leases, leaving nothing for the landlord to do but sign on the dotted line," declared William McKinley, former speaker of the house, who appeared as attorney for the Associated Builders' and Brick Manufacturers of Chicago. "You can't repeal the law of supply and demand," he continued, in supporting the previous speakers' claims that supply and demand will bring about adjustment quicker than any other thing.

William Schlake, a brick manufacturer, declared that he would reduce the price of his brick the same per cent that labor is reduced, in discussing labor as the chief item in the building industry.

Mr. McKinley remarked that it is just as logical to regulate rents on farm lands as it is to establish rent rates on houses and flats in Chicago.

Today's speakers included James J. Carroll, a member of the Chicago Real Estate Board; J. L. Vette, consul for the board, and E. K. Krumrine, representing the Chicago Mortgage Bankers' association. Mr. Krumrine said adoption of the Kessinger bill would stop the loans business, which, he said, has already been affected by agitation over the proposed legislation.

### HOWATT ISSUES CALL FOR ANOTHER STRIKE

One Hundred and Fifty Men Go Out—Retaliation for Laying Off of Men Who Demanded Discharge of Mine Foreman.

PITTSBURGH, Kans., March 22.—Alexander M. Howatt, president of the Kansas Mine Workers Union, announced tonight that a strike of 150 men which went into effect at the mines of the Hatton Coal & Mining company here today had been called by him at instance of the union's executive board.

Action by Howatt and the board in calling a strike several weeks ago led to their arrest on charges of violating an injunction forbidding the calling by them of strikes and the arrest of Howatt and August Dorchy, union vice-president on charges of violating the criminal provisions of the state industrial court law.

The officials were found guilty of contempt of court in the injunction case and given jail sentences. They have appealed. The criminal proceedings are still pending.

Today's strike, according to Howatt resulted in the alleged laying off of a group of men in retaliation he said for union demands that a mine foreman be discharged. Spokesmen for the operators on the other hand asserted that the men were laid off to meet a varying demand for coal and that it was the company's intention to put them to work again as conditions warranted.

### BERGDOLL TESTIFIES AGAINST AMERICANS

MOSBACH, Baden, March 22.—Grover C. Bergdoll, deserter from the American army, took the stand today in the trial of Carl Neuf and Franz Zimmer, the two Americans who, with the aid of four Germans, attempted to arrest Bergdoll at Eberbach last January.

Bergdoll testified that Zimmer leaned against the automobile and pointed a revolver at him. Neuf, he further testified, aimed his revolver at him and fired, the first bullet hitting a young woman, Lina Butt and the second entering one of the tires. Bergdoll denied having drawn a weapon. He said if he had he would have fired. Neuf made a long statement detailing the nature of activities as a detective for the American military forces at Coblenz. He asserted that he had succeeded with the aid of the German authorities in apprehending numerous American deserters in various sections in Germany. He had been on Bergdoll's trail for a long time, and he said he had sought a German police vice for his American passport in order to avoid complications at Eberbach.

Six representatives of the American forces in Coblenz are in attendance on the trial, for which thirty five witnesses have been summoned.

### TWO KILLED IN AMBUSH AT KEADO

Dublin, March 22.—Two policemen were killed and one wounded in an ambush at Keado, County Roscommon today. A bound was thrown in the Dundrum residential suburb of Dublin last evening wounding two constables.

Two men were shot dead, three houses burned and several wrecked during a general Sinn Fein attack in Roslea, County Fermanagh, according to official advices today.

### HUTCHINGS IS FOUND GUILTY

Los Angeles, Cal., March 22.—A verdict finding Everett Hutchings guilty of grand larceny was returned late today by a jury in Superior Judge Frank R. Willis' court after the jury had deliberated eight minutes.

Hutchings was charged with having defrauded J. B. Norris of Decatur, Ill., out of \$50,000 in a fake stock deal.

### TRIES TO COMMIT SUICIDE IN CHURCH

Chicago, March 22.—In view of several persons in the Third Presbyterian church, Martin Carver, of Deep Water, Mo., attempted to commit suicide today by cutting his throat. He was removed to the county hospital where it was said that he might recover. No reason for his act is known.

Medford, Minn., March 22.—M. L. Darney, a farmer living here tonight was notified in a telegram from Chicago, that a body believed to be that of his son Wallace Milton Darney, had been found in the Chicago river. The description of the body, he said, led him to believe that it is not that of his son.

### CHANGE FOR WORSE IN CARDINAL'S CONDITION

Change Occurred Wednesday The Physicians Say no Immediate Danger—Suffered Breakdown Last Fall.

(By The Associated Press)

BALTIMORE, Md., March 22.—Physicians attending Cardinal Gibbons announced tonight that his illness had taken an unfavorable turn. They said, however, they believed there was no immediate danger.

Monsignor John Bonzano, the apostolic delegate at Washington visited the cardinal this afternoon.

The unfavorable change in the cardinal's condition occurred last Sunday night when his heart action became weaker and his temperature lowered to a serious degree. No announcement of his condition was made until this evening.

Cardinal Gibbons, who is in his 87th year suffered a physical breakdown last fall due to too close application to diocesan affairs and in December went to the home of friends in Carroll county for a rest. He was taken seriously ill while there and on two occasions his life was despaired of but he was able to return to his home here about the first of January.

From that time until the present he has spent the greater part of the time indoors in a wheel chair or lying on a couch in his study.

### BANKERS FAVOR CLOSE COOPERATION

ST. LOUIS, Mo., March 22.—Close cooperation between state secretaries for the mutual benefit of their organizations was urged by speakers here today at the opening session of the tenth annual conference of presidents, vice presidents and secretaries of the Central States Banking Association. Reciprocal relations between the secretaries tend to increase the efficiency of the various associations, delegates emphasized. Richard S. Hawes, former president of the American Bankers Association in an address argued against sectioning state associations.

Better results are obtained thru coordination than by working in small units which never get anywhere, he explained.

L. A. Andrews of Ottumwa, president of the Iowa Bankers' Association, explained that a gradual liquidation of debts was brought about in Iowa thru conferences of bankers and farmers. He said it was hoped that the farm credit plan developed in his state would soon become a law.

### BURLINGTON LABORERS REFUSE WAGE CUT

Chicago, March 22.—Representatives of all the unskilled employees of the Chicago, Burlington and Quincy Railroad, refused to accept a reduction in wages which was proposed by the road at a conference today. They also refused to endorse an appeal to the United States labor board. The appeal to the board will be filed shortly by the railway, it was announced.

upon genealogies was stricken while at work in the Newberry library last Wednesday and her death ensued on Sunday. The funeral service is to be held at Leon, Iowa, her old home, tomorrow. Mrs. Daily's devotion to the D. A. R. was a matter of common knowledge, and her death at this time has occasioned especial regret.

**A Floral Key.**  
Mayor Crabtree did not give the formal executive greeting but spoke in eulogistic vein of the history of the D. A. R. and its contribution to the cause of patriotism. He referred to the great advancement of woman thru the centuries and her achieved struggle for individual independence. In conclusion he presented on behalf of the city to the regent a floral emblem, a golden crown, a key in red, white and blue and a heart wrought in radiant red. Mayor Crabtree said:

"On your heads we place the crown, realizing that God made woman for a great destiny. The latest power of a nation. By the decree of Heaven, she has been appointed Queen—the brave advocate of every virtue."

"The key—in the colors so dear to you, The Red, the White, the Blue. The red emblematic of the bravest battle that was ever fought."

"The crown, shall I tell you where and when we will find it not—"

"Tis fought by the mothers of men."

"Nay, not with cannon or battle shot, With sword or nobler pen! Nay, not with eloquent words or thoughts."

"From the months of wonderful men."

"But deep in a walled up woman's heart—"

"Of women that would not yield, But bravely, silently, bore her part—"

"Lo! There is the battlefield!"

"The white, typical of that purity found only in women. The blue, loyalty to those men and women of the thirteen colonies."

MRS. FRANK O. LOWDEN  
State Vice Regent D. A. R.

who suffered so much for us and in whose memory we meet tonight.

"The heart!—Our all! What more can we give?"

Miss Maria Fairbanks, as regent of Rev. James Caldwell chapter, voiced the great pleasure of the D. A. R. members and have in entertaining the state conference, and expressed the hope that the visitors would enjoy their stay here and carry away with them a good opinion of the city of Jacksonville.

**Response Given**  
In responding to the greetings extended, Mrs. Chubbuck said:

"In behalf of the D. A. R. of Illinois, the state regent thanks the mayor of Jacksonville for his cordial and courteous greeting. We have anticipated this meeting, as we know of Jacksonville as a clean, well-managed city, with high ideals. We may not have time to enjoy it as we should like to, but we cannot but feel its wholesome atmosphere. We shall carry that away with us, together with pleasant memories. It is our desire, wherever we meet in conference, to leave behind us something of the depth and breadth of the purpose of our organization, that the citizens of that place may feel richer because of our visit."

Mrs. Chubbuck made graceful reference to each of the speakers presented. In introducing Mrs. George Thatcher Guernsey, honorary president general, she referred to her as a woman tireless in her work and mastery in execution. Mrs. Guernsey talked of the place of responsibility that the United States holds in the world and especially as evidenced in the world war, and said that this nation is more concerned in doing its duty than in all else. Mrs. William H. Wait made an exceptional record in the war period, as director of war work for the D. A. R., and Mrs. Chubbuck said the conference felt especially honored in her presence.

Mrs. Wait presented to the state organization a beautifully bound volume of the original manuscript of a history of certain phases of Illinois development.

Mrs. Wiles voiced her pleasure in again visiting Jacksonville, and recalled two other visits to the city. She outlined briefly the purpose of the organization of the Daughters of the Founders and Patriots of America, with which she is identified, and in closing expressed the hope that during the conference delegates might grow in wisdom and "depart to serve better our country and our God."

Mrs. Bahnsen, in extending greetings, referred to the 1769 D. A. R. chapters of the country, with their membership of 116,000, and said that the honor of the largest chapter belongs to Chicago, where organization was effected 30 years ago.

Mrs. Chubbuck, in introducing Mr. Bancroft, referred to his inestimable service in securing and planning for the Duncan Memorial now maintained by Rev. James Caldwell chapter. Since this chapter house is the old home of Gov. Duncan, it was fitting indeed that Mr. Bancroft's theme should be "The Life and Public Service of Gov. Duncan."

**A Great Life**  
Mr. Bancroft spoke eloquently and it was evident that in studying the record of Gov. Duncan's life he had been fired with enthusiasm for the fineness of the spirit of the man, his patriotism and his broad vision. Gov. Duncan was born in Kentucky in February, 1794, and as a lad of seventeen heard the appeal of Henry Clay and enlisted in the war of 1812, serving as an ensign with such distinguished bravery that he was awarded a special emblem of honor by act of congress.

In 1818 he came to Illinois and five years later found him serving in the senate from Jackson county. There he introduced the first free school bill, precursor of public school legislation, foundation stone of the state's growth. Then from 1828 to 1833, he attracted attention as a young and earnest member of congress, and in 1834, after service as a major general in the Black Hawk war, became the fifth governor of Illinois. Mr. Bancroft recalled that during his term as governor the state produced a group of prominent men, the list including Lincoln, Douglas, General James Shields, Col. E. B. Baker, John J. Hardin and Orville Browning.

"Notwithstanding his strenuous service as a soldier, state senator, congressman and state executive, Gov. Duncan found time for other things. He was a friend of public school education and of higher education, and the records show that he was one of the most liberal friends that Illinois College knew. This is no common man, this Joseph Duncan, who built the home which today memorializes his name. Death came to him at the age of fifty and his written history tells us that as he lay on his dying bed he said to those about him that the honors of public life, that riches and high place are as nothing by comparison with the value of the love of the Savior. So we find a deep religious quality in this gentle, forceful, self-sacrificing servant of the people."

## ANOTHER BUILDING NOW ANDRE & ANDRE'S

Firm Purchased James Rabbitt Property on East Court Street—Adjoins Firm's East State Street Building

Announcement was made yesterday of a further purchase by H. M. and G. B. Andre, the firm having acquired title to the James Rabbitt property on East Court street. This building immediately adjoins the Smith building on East State street which Andre & Andre purchased Monday.

The Court street building has a frontage of 44 feet and a depth of 60 feet. The two buildings will give the firm floor space extending clear from East State street to East Court street, and when the remodeling contemplated is done the establishment will be of a spaciousness unequalled for a furniture store anywhere in the state outside of Chicago.

The new owners obtain immediate possession of this property. The transaction for both the Smith and Rabbitt properties was made thru E. B. Wiswell as broker.

## TOTEM POLES ARE DISAPPEARING

Ketchikan, Alaska.—By the A. P.—Alaska is losing its totem poles because of the gradual decline in observance of native customs. Totem poles are no longer erected and the elements are wearing down those remaining.

The largest collection of totems in the north, it is said, is to be found in the abandoned Indian village of Old Kasaan, 25 miles from Ketchikan. The village was deserted several years ago, after a disastrous fire, the natives moving to New Kasaan.

Old Kasaan's totems are of many sizes and descriptions. Some are of imposing proportions, with the four distinct emblems of the bear, the crow, the eagle and the eagle represented. The poles are carved from bass to pinnacle, with gorgeous sign language. The totems are carved on cedar, which is slow in perishing.

## UNEARTH GRAVE YARD IN HEART OF CITY

Cincinnati, O.—By the A. P.—When a steam shovel was excavating for a building in the very heart of this city, it unearthed a graveyard more than 115 years old.

The burial ground was discovered in the shadow of the skyscrapers of today. It turned out to be a cemetery of the First Presbyterian church, which received a grant from the government in 1804.

The church still maintains an edifice a few doors east of the spot.

## RATE ON WHEAT TO AFRICA REDUCED

London, March 22.—A Melbourne dispatch to the London Times reports that the board controlling the price of wheat exported from Australia has reduced the rate for East Africa and certain islands from nine shillings to seven shillings eleven pence per bushel. ### MOTOR TRANSIT LINE NOW IN OPERATION

Peoria-Springfield Motor Transit  
Company Now Operating Be-  
tween Springfield and Mason  
City—Freight Service to Be  
Added.

Mention was made some time  
ago of the formation of the Peo-  
ria - Springfield Motor Transit  
Co., of which George E. Doying is  
the president. The company be-  
gan operations Saturday and is  
now running a bus between  
Springfield and Mason City, mak-  
ing two round trips daily. About  
the first of April it is the plan to  
put two motor trucks in opera-  
tion for the haulage of merchan-  
dise between Peoria and Spring-  
field. The trip will be made  
each day, the trucks stopping at  
all intermediate points. As the  
business increases other motor  
buses will be added to the line.

A number of local people were  
in Springfield Monday rode in the  
motor bus, among the number  
being E. E. Crabtree, H. H. Ban-  
croft and A. R. Cully. The bus  
now in use has a carrying capa-  
city of thirty passengers and the  
run from Springfield to Mason  
City is made in two hours. When  
the motor bus makes the entire  
trip from Springfield to Peoria it  
is the plan to cover the distance  
in four hours' time.

The new project promises to  
be a great success and the many  
local friends of Mr. Doying are  
glad to know that the undertak-  
ing has had so auspicious a be-  
ginning. The operation of the  
line will mean a great conven-

ience to persons traveling be-  
tween the two terminal points  
and they will without doubt take  
full advantage of the opportunity  
thus offered.

years, and Harry West, aged 11  
years on the charge of robbing  
the Leek Market last Thursday  
night.

Chief Kiloran had received a  
tip that these boys were implicat-  
ed in the burglary and they were  
brought in and questioned with  
the result that a confession was  
obtained. The boys will be turn-  
ed over to the Juvenile court  
and will have a hearing today be-  
fore Judge Samuel.

The boys under arrest have lit-  
tle or no restraint and have  
caused the police more or less  
trouble for some time. Joe Go-  
veia is recently home from St.  
Charles on parole and the other  
Goveia boy has also been to the  
St. Charles school. Chief Kiloran  
says the West boy has the mind  
of a child and probably will be  
sent to the school for the feeble  
minded at Lincoln.

For some time the police have  
been bothered with petty  
theft of flash lights, tools and  
blankets from automobiles park-  
ed in the business district and  
about the residence district. Only  
last week some boys were appre-  
hended for this work by the po-  
lice.

Chief Kiloran says the unfor-  
tunate condition, he believes, is  
partially created by the manner  
in which the boys and girls have  
to attend the David Prince and  
High school. The arrangement  
gives the David Prince pupils an  
entire afternoon and it is not put  
to as good use as it might be,  
some of the pupils spending the  
time in the business district or  
away from home.

In the case of the burglary of  
the Leek market, the chief said,  
had the police found the place  
open and gone in they might  
have killed one of the small boys  
engaged in the burglary, not  
knowing in the dark who they  
were. Another habit that boys  
and young men have formed is  
loafing around restaurants, in  
some instances in the all night  
restaurants until the early morn-  
ing hours.

The chief says that he has  
about decided to run all of these  
loafers home at a reasonable  
hour and if they do not go lock  
them up. He also says the police  
have been given orders to stop all  
persons found on the streets af-  
ter midnight and question them  
and if they have no business out  
start them for home.

### Social Events

#### Social Club Met.

Mrs. William S. Suhy was hos-  
tess to the members of the Social  
club Monday evening at her  
home on West Morgan street.  
There were a large number of  
members present and a pleasant  
evening was spent in playing  
games. The hostess served  
dainty refreshments.

#### Domestic Science Classes Gave Dinner.

The girls of the Domestic  
Science classes at the high  
school gave a dinner last evening  
for the members of the board of  
education and their wives. Super-  
intendent and Mrs. Perrin and  
Principal and Mrs. Shafer. The  
girls had prepared a delicious  
menu and it was served in ex-  
cellent style. The Domestic  
Science room was prettily decor-  
ated for the occasion, pink being  
the prevailing color. Miss New-  
man, head of the Domestic  
Science department had the su-  
pervision of this successful af-  
fair.

#### Baptist Mission Gives Pie Social.

The First Baptist Mission, lo-  
cated on Ashland avenue, Tues-  
day night gave a pie social fol-  
lowed by an old-fashioned spell-  
ing bee. There was a large  
number of persons present and  
all voted the occasion a most en-  
joyable one. After the spelling  
bee there was a voting contest as  
to the most popular lady present.  
Miss Louella Gadbury won the  
spelling bee and Miss Lena Arenz  
proved to be the most popular  
lady. About \$10 was realized  
during the evening which  
amount is to be applied to the  
building fund.

#### New Officers Elected By Strawn's Crossing Club.

The Strawn's Crossing Wo-  
man's club met yesterday af-  
ternoon at the home of Mrs. E. B.  
Sturgeon on East North street.  
A business session was held and  
the following officers were elect-  
ed for the coming year:

President—Mrs. Roy New-  
bury.  
Vice President—Mrs. Frank  
Foster.

Secretary and Press Reporter  
—Mrs. Edward Armstrong.  
There were a large number of  
ladies present and a very enjoy-  
able program was given. Mrs.  
Henry Strawn the outgoing pres-  
ident presided and the following  
program was given:

Paper, "Location of a House  
From a Sanitary Standpoint"—  
Mrs. A. C. Foster.  
A "Short Story" read by Mrs.  
Henry Strawn.  
Miss Vivian Sturgeon, accom-  
panied by Miss Marie Wiswell,  
gave several vocal solos which  
were greatly enjoyed. The hos-  
tess served delicious refresh-  
ments carrying out a color  
scheme of pink and white appro-  
priate to the Easter season.

#### Rally to Be Held at Woodson

A missionary rally of Women's  
Missionary societies of Morgan,  
Scott and Greene counties will be  
held at Woodson Christian church

dent and Other Officers Also  
Returned—Committees Are  
Appointed.

F. E. Farrell was reelected  
president of the Golf association  
at a meeting held Monday eve-  
ning. A. M. Masters and M. W.  
Osborne were reelected vice-  
president and secretary-treas-  
urer.

President Farrell presided at  
the meeting with R. Y. Rowe  
acting as secretary. The report  
of M. W. Osborne, treasurer, was  
presented and approved. It show-  
ed receipts during the year of  
\$2,587.61 and disbursements of  
\$2,415.63, leaving a balance of  
\$1,71.98.

Mr. Farrell reported on the  
needs of the municipal course in  
1921. Some of his suggestions  
were:

Pledges for 1921, \$2,000.  
One hundred and fifty players.  
More tournaments to be held.  
Play in four some on Satur-

day and Sunday. No more than  
four together.

Employ professional for in-  
struction.  
Rules committee.

It was voted to contribute  
\$15.00 to the British Open  
Championship fund. Class A  
memberships were fixed at \$25  
and Class B memberships at \$15.  
The association tendered a vote  
of thanks to President Farrell  
for his excellent work during the  
past year. The president then  
announced the appointment of  
the following committees:

Greens—T. A. Chapin, C. Y.  
Rowe, H. L. Caldwell.

Tournament—Wood Phillips,  
Fred Randall, Lloyd Reid.

Membership—R. Y. Rowe, E.

### MURRAYVILLE AID OBSERVES ANNIVERSARY

Interesting Program Marks Twenty-Fifth Anniversary Celebration at Murrayville M. E. Church.

The Ladies' Aid society of the M. E. church at Murrayville celebrated their twenty-fifth anniversary Friday evening, March 18, in the church basement, with a two-course luncheon and a splendid program. This event is looked forward to with great anticipation as it is an annual affair for the members and their families. About two hundred were present and the tables were made beautiful with potted plants of spring flowers, which were given to the sick and "shut-ins" afterward.

This society was organized March 19, 1896, with eleven charter members, of whom eight are still living. They now have a membership of nearly one hundred. The excellent music furnished by the orchestra added greatly to the pleasure of the occasion. Those who attended from out of town were Mrs. J. E. Os-

borne and sons, Hugh, Edward and Paul Stanley, and daughter, Mary Hope; Mr. and Mrs. T. N. Bush and daughter, Miss Marie; Mr. and Mrs. C. J. Wright and sons, John Edward and William Earl; Miss Faye Kimer and Mrs. G. J. Vaughan, of Jacksonville; G. M. Wyatt, of Roodhouse; Mrs. Floyd Cox, of near Franklin; Mrs. Sadie Dildine, of St. Louis. Following is the program which was given:

### ANTI-FLY CAMPAIGN

During the last week the anti-fly campaign has been going on. The high school students have been acting as inspectors, inspecting alleys, back yards and other places where flies breed.

Just ought to see what the "Fly Hunters" have found. Manure piles galore. Even right in the business section, these unsightly, fly-breeding accumulations were found. The following are some of the unsanitary locations found by the students:

Clay avenue, 100 block.  
North Church street, 600 block.  
North Fayette, 600 block.  
North East street, 500 block.  
South Lafayette, 400 block.  
West Lafayette, 300 block.  
Michigan avenue, 200 and 600 block.  
Pennsylvania avenue, 1400 block.

South Main, 1400 block.  
Now is the time to be putting manure on your ground as a fertilizer. Here is a suggestion: Clean up the manure pile, put it on your garden and have it plowed under. Your radishes, lettuce and onions will grow fast in a well-fertilized soil.

Numerous garbage cans, without covers, or carelessly left open, were found. These are excellent breeding places for flies. Around the square numerous barrels were found, containing decaying bananas, potatoes, apples and celery. Flies were numerous here.

Several alleys were found in a very unsanitary condition. People living near these evidently are in the habit of throwing dirty dish water and garbage into the alleys. Dirty chicken yards and pig pens were found on South Diamond, Railroad street, Prairie street, Church street. Clean up these places and you will not only lessen the number of flies, but you will increase your own profits.

Many other places in the city are in as bad a condition as these that have been mentioned. We shall find them unless the citizens clean up before our next trip.

Help us to make Jacksonville a cleaner and healthier city.

### PEORIA COAL MAN TELLS OF CHANGE

Declares He Never Saw Anything That Equals Tanlac — Gains Twenty Pounds.

"Sure, I never saw anything like the way this Tanlac gives a man new life. Before I took it I just had to drag myself around more dead than alive, and now I feel like a new person, and life is worth while," said John Bidleman, 945 W. Wilcox Ave., Peoria, Ill., well known coal dealer.

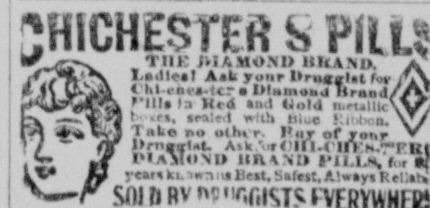

"For four years I was in a weak and badly run-down condition and steadily grew worse. I was in such a fearful fix no matter what I ate I'd suffer for hours afterward with sharp pains in the pit of my stomach, and I was so nervous sleep was almost out of the question.

"Finally I got so I couldn't look after my business and had to hire a man to attend to it for me. I lost so much in weight that my clothes were too big for me. I got awfully discouraged and wondered if there wasn't any medicine that would help me.

"Then I read of Tanlac and determined to try it and I am mighty glad I did. It has relieved me of all my aches and pains, restored my appetite and now I eat anything I want without any trouble and sleep like a well baby.

"I've gained back twenty pounds of my lost weight and I've improved that much my friends have to look twice to see if I'm the same man, for I sure don't look it."

Tanlac is sold in Jacksonville by Coover Drug Co. and J. F. Shreve, Wyle Drug Co., Franklin and Waverly, and leading drug store in all cities.—Adv.

### VESPER MUSICAL AT WOMAN'S COLLEGE

Palm Sunday Program Found  
Delightful by Large Audience.

For several years past Palm  
Sunday has been celebrated by a  
vesper musical at the Woman's  
college. Interest in this event  
has grown from year to year and  
the audience that assembled last  
Sunday afternoon in Music Hall  
was the largest ever gathered on  
a similar occasion.

The great festivals of the  
Church have inspired the human  
mind in many lines particularly  
in the arts of music, poetry and  
painting. On these Christian an-  
niversaries musicians, especially,  
turn their attention to the pro-  
ductions of this present time and  
earlier times to find that music  
which is peculiarly fitted to the  
psychology of the hearer; more-  
over it is fitting that these works  
inspired by the outstanding festi-  
vals of the Church, should live  
again at such anniversaries. So  
a large audience, thinking the  
thoughts of Passion Week and  
Easter came to listen reverently  
to the thoughts of the season ex-  
pressed in tone.

This very impressive and out-  
standingly beautiful program  
opened with four organ numbers  
by Mr. Pearson. The group in-  
cluded the overwhelming and  
spectacular "Gotha" by Mal-  
ling.

Mrs. Forrest who has sung her  
way to our hearts had the sup-  
port of Miss Larimore at the or-  
gan in her solo number.

Miss Powell who was the read-  
er of the afternoon, in well chosen  
words showed her sympathy  
with the intent of the program  
and very beautifully read a scene  
from "Jean d'Arc."

Miss Horsburgh delighted her  
hearers as she always does and  
had as her accompanist Miss  
Sapiro of New York.

The program closed with a  
number by the Madrigal club, an  
organization under Mrs. Forrest's  
direction. Mrs. Forest sang the  
solo part.

Ruby has as beautiful a pro-  
gram been given here and we, the  
public, are again debtor to the  
sponsor of the program, the Il-  
linois Woman's college.

### LONG TIME GREENE COUNTY PASTOR DEAD

Rev. Isham Roberts Passed Away  
Sunday at Home in Patterson—  
Funeral Services Tuesday.

White Hall, March 22.—Funeral  
services for the late Rev. Isham  
Roberts were held Tuesday from  
the Baptist church at Patterson.  
Burial was made at Pine Grove  
cemetery at that place. The ser-  
vices were very impressive, a  
number of Baptist ministers hav-  
ing part.

Rev. Mr. Roberts, who for fifty  
years was a minister of the Sandy  
Creek Baptist association, serving  
the churches of Northern Greene  
county during all that period, died  
at 6:45 p. m., Sunday, at his home  
in Patterson, eight miles north-  
west of White Hall, where he had  
resided for the past three years.  
His age was 79 years. His long  
service as a Baptist preacher is  
exceeded only by Rev. Thomas N.  
Marsh, of Alton, also a native of  
Northern Greene county.

Rev. Roberts was a native of  
White Hall township, being born  
on the Jack Ballard farm, just  
northwest of White Hall, October  
25, 1841. He was nearly thirty  
years of age when he took up mi-  
nisterial work and had been a life  
long adherent of the Baptist faith,  
never being affiliated with any  
other organization. In 1866 he  
and Miss Mercie Baird were mar-  
ried and she and four children  
survive, the latter being as fol-  
lows: Lucy, wife of Robert Hud-  
son; Mary, wife of J. E. House;  
Louisa, wife of James N. Dunham,  
and Stanley Roberts, all residing  
in this section of the county.  
Three children are dead. In se-  
cular affairs he devoted his at-  
tention to farming, and at one time  
was engaged in merchandizing in  
Patterson. The major part of his  
life was spent in the Oak Grove  
neighborhood west of White  
Hall, and the influence of his good  
life will long be manifest. He  
was afflicted with asthma and  
had been in failing health for sev-  
eral years.

### PRELIMINARY CONTESTS OF WHITE HALL SCHOOL

White Hall, March 21.—The  
preliminary literary and musical  
contests of the local high school  
will be given at the Princess the-  
ater Monday, April 18. The an-  
nual junior-senior banquet will  
be held at the K. of P. hall, Fri-  
day, April 29.

### GRATEFUL WOMEN

Gratitude and appreciation for  
health restored by that good old  
fashioned root and herb medicine,  
Lydia E. Pinkham's Vegetable  
Compound, is what prompts so  
many people from all parts of the  
country to write to the Lydia E.  
Pinkham Medicine Co. of Lynn,  
Mass., the letters of praise which  
we publish from time to time.  
Women who have always had  
their health cannot realize what  
it means to others, many of  
whom have suffered months and  
even years from such ailments,  
and are now well and happy through  
the use of this natural restorative,  
Lydia E. Pinkham's Vegetable  
Compound.—Adv.

## Willard Batteries Win

They win on reputation—when you  
think of batteries you naturally think  
first of Willard. They win on  
quality. The most important battery  
improvements, including Threaded  
Rubber Insulation, originated with  
Willard.

They win in dollars-and-cents sav-  
ing. No outlay for replacement of  
insulation if you buy the Willard  
Threaded Rubber Battery because  
Threaded Rubber Insulation outlasts  
the battery plates.

The Willard Threaded Rubber Bat-  
tery is standard on 172 makes of cars  
—used for export on 2 others. Ask  
us about it. We're headquarters for

**SEED CORN**—We have a wonderful season at Mason City. This year for maturing seed corn with the result that we have the finest lot of well dried 1920 crop of seed corn that we have ever grown. This corn is gathered early in the fall and placed on drying racks when it is very slowly dried down to twelve or fourteen percent moisture content. This gives corn of very high vitality. We have been in the seed corn business in a large way for over thirteen years and have the largest and best equipped drying plant in the world. Our down town plant is in the center of Mason City, right on the hard road between Springfield and Peoria. It is well worth a trip to Mason City to see this corn. Price is only \$2.50 per bushel. **Daily Market Report**

**STOCK MARKET HAS IRREGULAR SESSION**

By Associated Press.

NEW YORK, March 22.—Irregular and uncertain tendencies were predominant in the stock market today although many losses were concealed at a comparatively firm close. Announcement that the senate is likely to adopt a resolution providing for an investigation of the entire railway situation invited fresh offerings of those issues and passing of the Vandenberg dividend directed renewed attention to adverse condition in the steel and allied trades.

Motors and similar issues together with oils, steels and equipments were foremost in the rebound of the final hour.

Specific features of strength included Studebaker, Pierce-Arrow, Atlantic Gulf, Pacific Oil, Mexican Petroleum, United States Steel, Baldwin Locomotive and Northern Pacific. Many extreme declines of 1 to 2 points were reduced to fractions at the finish. Sales amounted to 600,000 shares.

On the exchange call money held at the fixed rate of 6½ per cent. Confusing movements developed in the bond market, liberty issues for example declining while some foreign flotations were appreciably better.

Secondary rails and minor industrials added to recent declines. Total sales (par value), were \$9,750,000.

**PRICE OF WHEAT HITS LOW MARK**

By Associated Press.

CHICAGO, March 22.—When today touched the lowest price since 1916 for May delivery Strained economic conditions, bearish crop reports and slackness of export demand appeared to be largely responsible. The market closed unsettled at a decline to 1½¢ advance, with March \$1.51½ to \$1.52 and May \$1.42½ to \$1.43.

Corn lost ¼¢ to ¾¢. Oats finished unchanged to ½¢ up and provisions off 2½¢ to 40¢.

Heavy liquidation on the part of holders took place in the wheat market after the first hour. Revival of talk about enactment of an emergency tariff bill had temporarily given the bulls a little advantage. At the extreme low point of the day, however, one big commission house turned to the bull side and rallies ensued during the last thirty minutes.

Besides a leading elevator interest was credited with selling March and buying May at the finish.

Corn and oats averaged lower in sympathy with wheat. May corn and May oats as well sold at cheaper prices than at any time since 1913.

Provisions were weighed down by the action of grain and by uncertainty about labor troubles.

**SEED CORN**—We have a wonderful season at Mason City. This year for maturing seed corn with the result that we have the finest lot of well dried 1920 crop of seed corn that we have ever grown. This corn is gathered early in the fall and placed on drying racks when it is very slowly dried down to twelve or fourteen percent moisture content. This gives corn of very high vitality. We have been in the seed corn business in a large way for over thirteen years and have the largest and best equipped drying plant in the world. Our down town plant is in the center of Mason City, right on the hard road between Springfield and Peoria. It is well worth a trip to Mason City to see this corn. Price is only \$2.50 per bushel. Come Ride With Me In  
The New "Four" Sedan.  
JAKE.

### Oh Boy! Some Car! Listen!

It will pay you to drop in here at your very first opportunity and see the new Oldsmobile Four.

We have every reason to believe that when you examine its positive superiorities of size, appearance, comfort and power, you will say its value goes beyond anything you have previously known in a four-cylinder car of like price.

Its valve-in-head motor develops 43.8 horse power—ample for any possible need.

You will find too, that this car's fine appearance will bear the closest inspection—that its niceties of finish and body details fully confirm your first good impression.

Ease of riding, always an Oldsmobile characteristic, has been assured by wide, deeply upholstered seats and extra long springs that cradle the body.

As you probably know, automobile manufacturers did not build up the usual heavy reserve of cars last winter for spring business. So that right now is not a minute too soon to make up your mind about this unusual value if you want to avoid possible delay in delivery.

### ASHLAND AMERICAN LEGION BALL TEAM

George H. Pettit Post, No. 498, of That Town and Pleasant Plains, Will Put Fast Team in Field.

The George H. Pettit Post, No. 498, American Legion, of Ashland and Pleasant Plains, is preparing to put on what they believe will be one of the fastest pro base ball teams in Central Illinois. The team will be made up entirely of men who are members of the Post and Carl Christian, athletic director, states that he will have about 30 candidates for positions on the team.

It is very probable that games will be scheduled to be played at both Ashland and Pleasant Plains, as fans of both towns will have a mutual interest in the team.

Final arrangements for the proposed championship team will be completed at the regular meeting of the Post, to be held at the Legion home in Ashland Friday evening, March 25, 1921.

### H. S. STARTS TRACK PRACTICE

There was a meeting of track men at the High School Monday afternoon. About thirty-five boys reported, and it looks as if there is going to be a lot of enthusiasm shown in track work this spring. Some of the men have already begun work, but regular practice will begin next week.

### A WORTHY EFFORT

The members of Bethel A. M. E. church, under the leadership of Rev. R. H. Hackley, the pastor, have united the forces in an endeavor to liquidate the large indebtedness that has been standing for several years upon the church. The rally effort terminating June 12th.

It is the purpose of the pastor to remove this heavy burden of the members and place the church in a creditable position before the business men of Jacksonville.

The church is located on Marion street, in the most densely populated part of the city, among the colored people, where there is great need of a strong Christian institution, a place where our boys and girls may be taught Christian ethics, that they may become desirable citizens in the community in which they live. Therefore Rev. Hackley is appealing to the good white citizens of Jacksonville to help shoulder this great responsibility, as this is a public institution for all people, and becomes an asset to the entire city for human uplift.

The colored people are poor but willing and generous, and are doing all that is in their power to remove this heavy burden, and as the membership is small, the burden seems more than they can bear alone.

Therefore persons bearing properly signed credentials in the form of receipt books and coupon books will call upon the public and ask you to assist us, and we appeal to the kind Christian consideration of our many white friends to not scorn them, in this present effort, as has been done in the past, asking all contributors to kindly accept a receipt from solicitors and tear coupons out of book.

Thanking you in advance for assistance, we remain,  
Obediently yours,  
R. H. Hackley, Pastor.

## NO FEAR NOW OF INDIGESTION

A Host of People Seem to Thrive on What Used to Provoke Indigestion Before They Learned of Stuart's Dyspepsia Tablets.

When the stomach becomes sour with gasiness and heartburn due to indigestion or dyspepsia relief may be had by one or two Stuart's Dyspepsia Tablets. Simply chew them; no hot water nor any other filler for a stomach perhaps already too much overcrowded.

These tablets supply to the stomach the alkaline effect which is what relieves the sour acid condition. They also contain pancreatin to help digest the starchy foods such as potatoes, rice, oatmeal, white flour, etc.

Get a 60 cent box of Stuart's Dyspepsia Tablets, have them on hand at all times and thus have no fear of indigestion or dyspepsia.

The fact that these tablets are on sale everywhere in the U. S. and Canada shows how generally recognized they are as an efficient aid when the dyspeptic stomach needs a little help.—Adv.

### H. S. STUDENTS WILL STAGE OPERETTA

Polished Pebbles to Be Given March 28 — Proceeds for Mercedia Club House.

The students of the high school are working hard on the operetta, "Polished Pebbles," which will be presented Monday evening, March 28. The operetta is a clever and entertaining little play, with some good singing done by the High School chorus. The students and the director, Miss Hopper, are devoting much time to the operetta and it is hoped that the town people will give the production their loyal support.

The proceeds from the operetta are to go toward purchasing equipment for the Boys' and Girls' club house, which the Rotary club has built at Mercedia. The club house is a splendidly built cottage on the banks of the Illinois river, and is an ideal place for Jacksonville young people to go for outings. The Rotary club has built it for the free use of all Jacksonville young people's organizations, Camp Fire girls, Boy Scouts, Sunday school classes, High School organizations, everybody, in fact. The only thing which is necessary to make this cottage available for real outings for the young people is to raise enough money to purchase equipment. With this in mind, every one will surely want to attend this operetta and see a first class entertainment, as well as help a good cause.

### CAMP FIRE GIRLS PLAN CEREMONIAL

The Walohi Camp Fire girls met Monday evening at the home of Miss Helen Bergstrom, on Hardin avenue.

At the regular business meeting plans were made for a ceremonial meeting, to be held in two weeks, at the home of the guardian, Miss Lucy Coover. Each girl is to take part in the ceremony, and camp fire poems, talks and motion and song dances will be part of the program.

William DeSilva of the force at the Army Store had the misfortune to step on a nail in the rear of the store Monday. No serious results are anticipated.

Mr. and Mrs. Clyde Cox of Orleans were added to the list of county seat visitors yesterday.

Andy Kitchen represented Lynnville in the city yesterday.

### WHITE HALL ATHLETES PREPARE FOR MEETS

White Hall, March 21.—The boys of the local High school are in hard training in preparation for three track and field meets in which White Hall will take part this year. There is some splendid track and field material in the school and almost all of them are reporting regularly at the nightly work-outs. The Pine Grove track just south of the town on the farm owned by Dr. J. S. Billings, will be used for the athletic work. Besides the Greene County association meet which will be held at White Hall, Thursday, May 12, the local school will take part in two meets to be held at Jacksonville. The two Jacksonville meets are the Illinois Western on Saturday, May 7, and the Illinois College Inter-Scholastic on Saturday, May 14.

Harmony Lodge No. 3 A. F. & A. M. will hold a special meeting this evening at 7 o'clock. WORK. Visiting brethren welcome. W. A. Crawley, W. M. John R. Phillips, Secy.

### WHITE HALL SENIORS TO PRESENT CLASS PLAY

White Hall, March 21.—The seniors of White Hall High school will present their class play, "The Man on the Box," at the Princess Theater next Monday evening, March 28. It is a splendid comedy in three acts founded upon Harold McGrath's famous novel of the same name. There are fourteen members in the cast, ten boys and four girls. The production of this play is under the direction of Supt. Smith and Miss Huff, principal of the High school faculty.

Among those who are attending the D. A. R. convention from Peoria, are, Mrs. H. M. Sedgwick, Miss Ellen Clark, Mrs. George S. Page, Mrs. J. P. McMohen, Mrs. J. F. Keelson and Mrs. J. H. Markley.
